Details on Progress Assessment Colloquium (PAC) Components

¹ PAC I ESRs' Progress Evaluation, 19 Sep 2019, 11:30-15:00 and 20 Sep 2019, 09:00-10:00

The ESRs present their overall progress following the Personal Career Development Plans (PCDPs) to all Senior and Early Stage Researchers. The presentations will afterwards be shared via Dropbox. 12 minutes are scheduled per ESR. The 10-minute presentations shall therefore not focus on details of research projects but only give an outline of the following points:

- (1) Training:
 - Course/seminar plans identified in the PCDP and current state
 - Secondment plans identified in the PCDP and current state
 - Research visit plans identified in the PCDP and current state
- (2) Dissertation outputs:
 - Publication plans identified in the PCDP and current state
 - Presentation plans identified in the PCDP and current state
- (3) Other activities:
 - Teaching plans and current state, if applicable
 - Public science plans and current state
 - Other (e.g. awards, funds), if applicable

² PAC II Roundtable Discussions of ESRs' Research, 20 Sep 2019, 10:30-12:00

Each ESR discusses one research project that he/she is currently working on in one of five parallel roundtable sessions with other Early and Senior Researchers (see table below). One Senior Researcher chairs and moderates each session.

- (1) As preparation, the ESRs send a paper draft or extended abstract of a study that is currently in progress to info@etn-occam.eu no later than 01 Sep 2019.
- (2) The Seniors will be allocated to roundtable sessions. The collected manuscripts will be shared with other Senior and Early Stage Researchers in the same roundtable session.
- (3) From 02 Sep 2019 until 20 Sep 2019, the Senior and Early Stage Researchers read the three manuscripts and prepare questions, suggestions, etc.
- (4) In the session, each ESR gives a 2-minute summary of the current state. Afterwards, the group discusses questions, suggestions, etc. 30 minutes are scheduled per ESR.
