New Insights, Spin-Off Findings, and Comments II, 11:15-12:30, *each ca. 10 min. presentations and 5 min. discussion*

Elisa Salinas (Do teachers' working conditions predict students' achievement and motivation? A look at six middle-income countries)

Sigrid Blömeke (An innovative school climate drives innovative classroom practices – but only in some countries)

Ana María Mejía Rodríguez (Developing and testing the system-level of the DMEE: Moving forward)

Rolf Vegar Olsen & Isa Steinmann (Can we say that X standard deviations correspond to one year of schooling?)

Heinz-Dieter Meyer (The next frontier of global education governance: Education for global civility and civil society)

Catered Lunch, 12:30-13:30

New Insights, Spin-Off Findings, and Comments III, 13:30-14:45, *each ca. 10 min. presentations and 5 min. discussion*

Wolfram Schulz (Advantages and risks of transitioning ILSAs to computer-based delivery)

Pietro Sancassani (How do politicians react to information shocks? Evidence from the first PISA results in Germany)

Eugene Gonzalez (Living a life skirting around aphorisms about change)

Monica Rosén & Jan-Eric Gustafsson (Issues and possibilities in causal inference from ILSA data)

Coffee Break, 14:45-15:15

Collecting Ideas for OCCAM 2.0, 15:15-16:30, *introduction to Horizon European Doctoral Networks and group discussion in OCCAM Network*

Social Event, 17:30-18:30, canal cruise, Prins Hendrikkade 25, 1012 TM Amsterdam

Dinner, 19:00-, restaurant Brouwerij de Prael Oudezijds Armsteeg 26

Sunday, 07 November 2021

New Insights, Spin-Off Findings, and Comments IV, 09:00-10:30, *each ca. 10 min. presentations and 5 min. discussion*

Rianne Janssen (Guess what? Psychometric approaches to multiple-choice questions)

Olesya Gladushyna (Measuring education: Do we need a plethora of assessment studies or just a single score?)

Andrés Christiansen (Directional and content invariance testing in extreme response styles for TIMSS 2019 attitudinal scales)

Laura Zieger (Essays on the psychometric properties of PISA)

Andrés Strello (Inequality or inequalities? Some remarks on the measurement of inequality in education)

Ivailo Partchev (Making sense of repeated item administration in computerized formative assessment)

Coffee Break, 10:30-11:00

Ideas for Future Collaborations, 11:00-12:30, *open space for discussions on small-scale (e.g., research stays, research projects) or large-scale collaborations (e.g., OCCAM 2.0)*

Catered Lunch, 12:30-13:30

Open Space, 13:30-20:00

Venue

Leonardo Royal Hotel Amsterdam, Paul van Vlissingenstraat 24, 1096 BK Amsterdam, the Netherlands, <https://www.leonardo-hotels.com/leonardo-royal-hotel-amsterdam>
Room Amstel meeting room

Formalities

Traveling, everyone who wants to attend the conference book their own flights, trains, etc. with flexible cancellation policies

Accommodation, all participants book their own hotel rooms at or close to the venue with flexible cancellation policies

Reimbursement, all participants are reimbursed with fixed rates for (1) their traveling (rates depend on departure countries, see column "Wissenschaftler" in attached table), (2) accommodation (fixed rate of up to 3 x 150€), and (3) presentation (fixed rate of 300€ per person) by TU Dortmund University after the conference. No other costs can be reimbursed

Cancellation, if someone has to cancel the trip at short notice, they have to cancel their own travelling and accommodation arrangements and will only receive the 300€ for their presentation. Cancellation fees are not refundable. In this case, the presentation will be digital

Contact, Rolf Strietholt and Isa Steinmann, TU Dortmund University, info@etn-occam.eu
